

1. The goal of the Practice Challenge is for each student to practice his or her instrument for 50 or 100 consecutive days. Students are welcome to begin their Practice Challenges at any time, however:
 - a. Practice Challenges must be completed by March 4th, 2020.
 - b. The 100 Day Challenge must begin no later than Tuesday November 26, 2019 in order to complete 100 days of practice by March 4, 2020.
 - c. The 50 Day Challenge must begin no later than Wednesday January 15, 2020 in order to complete 50 days of practice by March 4, 2020.
2. A practice session will be defined as time spent where effort has been put toward addressing specific points from the previous lesson and progress towards accomplishing these goals has been achieved. SMW teachers are more concerned with the quality of practice than the length of practice time. For this reason we do not specify a minimum length of time for the practice session.
3. We do realize that it will be difficult to find the time and energy to practice 50 or 100 days in a row. This is why it is called a Challenge and students receive medals or trophies.
4. If your child is sick during the challenge, consider listening to the recording while learning the words to future pieces, practicing bow holds, working on fingerings, or practicing bowings using a pen or pencil.
5. Please keep the Practice Challenge Chart in an accessible place so you can mark each practice session as it occurs.
6. Once the chart has been completed, please notify the SMW Program Coordinator via email at winnipegsuzukiprogram@gmail.com no later than Thursday March 5, 2020 at 4:00 pm. This deadline is firm as the order will need to be placed in time for the awards to be created and ready to present at our Spring Concert. Please include the following information in your email:
 - The first and last name of the student
 - Whether the student completed the 50 Day Challenge or the 100 Day Challenge
7. Medals will be awarded to students who complete the 50 Day Challenge. Trophies will be awarded to students who complete the 100 Day Challenge.
8. Awards will be presented at our Spring Concert on Sunday March 22, 2020.
