

Scholarship Policy

In 2014, Suzuki Music Winnipeg Inc (SMW) invested previously established endowment funds with The Winnipeg Foundation that resulted in an annual payout of earnings starting in 2015. A portion of the annual payout is dedicated to promoting Suzuki Music Winnipeg's vision and mission through investing in student bursaries and scholarships. Any unused funds are reinvested with The Winnipeg Foundation to ensure future growth of the fund.

Bursaries and scholarships are awarded to students with a desire to continue their Suzuki musical education thus positively enriching the Suzuki Music Winnipeg community. Level of support will be determined annually based on funds available through the endowment fund.

Scholarships may subsidize registration fees for the SMW Winter Workshop or a Suzuki Summer Institute.

Factors for Consideration

Scholarship applications should be received no later than November 10th.

The board of directors will review all applications and communicate scholarship decisions in writing by December 15th.

When reviewing applications, the board of directors will consider the following:

- How many applications are received
- Student's group class participation
- Whether funding support is requested for the Winter Workshop or a summer institute
- Previous scholarships awarded to the student, if applicable
- Attendance at past workshops or institutes
- Special/other considerations
