

**Suzuki Talent Education Institute of Manitoba
Instrument Registry
2011-2012
(updated May 2012)**

The STEI Instrument Registry gives families the opportunity to buy and sell their instruments that have most often been used within the program. **Please** contact the STEI if your instrument has been sold or if you have an instrument you would like added to your registry.

Effective this year: instruments will only be kept on the registry for a single year. If you had an instrument on the registry last year and we were unable to contact you or did not get a response to a message, the instrument has been removed. To add your instrument to the registry, contact: winnie@suzukiprogram@gmail.com
